The Examiner's Amendment in Paper No. 20081220

The Applicant, with appreciation, acknowledges that the claims 1, 2, 5-7, 9-14, 16-19, 21-24, 26-29 and 31 are allowed by the Examiner.

I. The Examiner in paper No. 20081220, suggested to amend the clause "medium" to read "storage media" in claims 13, 14, 16-19, and 21-22. The Applicant substantially agrees with the Examiner's suggestion, however, the Applicant notices that media is a plural of "medium."

Therefore, the Applicant proposes to amend the clause “medium” to read “storage medium” in claims 13, 14, 16-19, 21 and 22 in compliance with the Examiner suggestion.

II. The Examiner suggested to amend claim 23 by adding the substeps of the steps of retrieving the database and transmitting the user registration information. The Applicant substantially agrees with the Examiner’s suggestion, however, would like to further amend claim 23 in order to put claim 23 into better form.

The Applicant also proposes to amend claims 1, 13 and 18 in order to put claims 1, 13 and 18 into better forms.

III. The Examiner suggested to amend claim 26 in order to correct the dependency of claim 26.

The Applicant thanks the Examiner for pointing out the correction of claim 27, and respectfully amends claim 26 as the Examiner suggested.

In summary, the Applicant’s proposed amendments do not alter the scope and coverage of the previously presented claims. The Applicant respectfully invites the Examiner’s attention to note that each, and everyone of the foregoing amendments to the claims are made to accommodate the preferences expressed by the Examiner in Paper No. 20081220; consequently, no new issues are raised by these amendments, no further search is necessitated by these amendments, and no further consideration is required by these amendments. Entry of the Applicant’s proposed amendment is respectively requested.

In view of the foregoing amendments and remarks, all claims are deemed to be allowable and this application is believed to be in condition to be passed to issue. If there are any questions, the examiner is asked to contact the applicant's attorney.

No fee is incurred by this Amendment.

Respectfully submitted,
